# ADMINISTRATION

The Administration budget includes the cost of the Village Administrator, the Assistant Administrator/Human Resources Director, the HR Assistant and the Capital Finance Officer.

The Village Administrator is responsible for the supervision of the overall operation of the Village and carries out the directive of the Village Board. The Administrator is responsible for preparing the initial annual budget and presenting it to the Village Board for review and approval.

The Assistant Village Administrator/Human Resources Director serves as the assistant to the Administrator and performs such duties as are assigned to her/him by the Village Administrator and acts as the Administrator during the Administrator's absence. This position is also responsible for implementing and overseeing the Village's Human Resources policies and practices including employee selection, labor relations, compensation, workers' compensation, fringe benefit programs, employee health and safety, personnel management, equal employment/affirmative action, and employee record keeping.

The HR Assistant working under the direction of the Human Resources Director and in tandem with the Finance Department is responsible for a Bi-Weekly Payroll for 160+ Employees, 27-Day Payroll for Fire Department, Federal/FICA Withholding, Deferred Compensation Administration, WRS Administration, Union Dues Administration, Child Support Administration, AFLAC Administration, HRA Administration, FSA Administration, Unemployment Administration, Health/Dental/Vision/Life Insurance, AD&D Insurance, Worker's Compensation Administration, Vacation Time Tracking, Property/Liability Insurance, Quarterly 941 Reporting, W2/1099 Reporting. This position was under Finance in the 2019 budget and has moved under Administration in 2020.

The Capital Finance Officer provides guidance to the Village Board, the Utility District and the Village Administrator relative to debt, TIDs, and financial policies.

## Village of Caledonia Building Department

The Village of Caledonia Building Department serves to protect the safety of the community and residents. Primary responsibilities include issuing Building Permits and performing inspections for construction projects that include: new home construction, commercial buildings, interior remodeling, basement recreation rooms, additions, pools, decks, roofs, foundation repairs, sheds, barns and detached garages.

Village of Caledonia Staff include:

**Senior Inspector for:** Building, Residential Electrical, Residential Plumbing

**Building Inspector for:** Commercial, Residential

**Electrical Inspector (P/T) for:** Commercial

**Plumbing Inspector (P/T) for:** Commercial

**Administrative Assistant for:** All Commercial/Residential

Some department functions require extensive office plan review before the release of a permit. In addition, a contract with SAFEbuilt is also an option for commercial building plan reviews. On-site inspections are performed on a daily basis for building, electrical and plumbing projects that are permitted by the department. Inspections may require meeting with owners, expeditors, contractors and developers to discuss options and solutions to problems and code violations that arise during the construction process. These steps are taken through this process to ensure solid construction and meet code compliance.

The Village of Caledonia's community and residents may have questions, concerns, complaints and/or disputes in regard to the surrounding community. This may involve past/present construction projects, foreclosed properties and neighboring residents/tenants regarding their living conditions. The inspectors track, investigate and resolve these situations in a timely matter.

Several Wisconsin State mandated programs are administered through the Building Department. Wisconsin DNR Well Registration, which ensures continued drinking water quality and erosion control enforcement for continued groundwater runoff quality are enforced on a local level by the department. Builder and contractor credentials are verified by the department for every permit issued. This ensures that builders and contractors hired by Village residents are qualified and properly insured through the State of Wisconsin.

# COMMUNITY DEVELOPMENT

The Department of Community Development is responsible for assisting the leaders and citizens of Caledonia in defining and achieving their long-term vision for the community and its neighborhoods through the implementation of sound land use planning. The Department serves as the focal point for all new development proposed in the Village, and is often the first contact for landowners, realtors, and developers. The Department was created in May of 2019 and is transitioning planning and zoning services and code enforcement from Racine County to Caledonia.

The Department is responsible for Zoning Code Enforcement, working directly with landowners and businesses to remediate nonconformance issues. The Development Director coordinates with the Police, Fire, Inspection, Public Works, and Health Departments to ensure compliance with the Zoning Code.

The Department processes all land use and development requests, and manage all aspects of public review procedures. The Development Director liaises with the Plan Commission, Community Development Authority, Board of Appeals, and Standing Joint Review Board, on all aspects of Village development projects and Tax Incremental Financing District creation/amendment.

The Development Director is responsible to review all residential, commercial, and industrial building permits to ensure compliance with the Village Zoning Code.

# FINANCE/TREASURER

The Finance/Treasurer area is responsible for daily financial analysis, accounts payable functions, account receivable functions, coordinate with and support payroll function, annual budget administration, annual audit administration, banking/cash administration, investment functions, bank reconciliations, special assessments, storm water district accounting, parks accounting, joint park accounting, refuse/recycling accounting, capital asset tracking, cash receipts/bank deposits, weed commissioner function, debt service administration, annual tax collection, tax settlements with Racine County, questions regarding taxes, personal property tax administration, shared preparation of tax roll and coordination/administration of Racine County provided IT function.

This office is staffed by the Finance Director, the Financial/Utility Account and the Treasurer. The Treasurer position is currently vacant and will remain so through the end of the year.

In 2019, the Finance Director of nineteen years retired in January. The Treasurer also left the Village in January of 2019. The Financial/Utility Accountant was left to fulfill all duties of these three positions until the Finance Director position was filled at the end of May.

The Finance Department is looking forward to the implementation of Civic System in late 2019. This computer system implementation and chart of accounts redesign will change work flow and process dramatically for this department and will have village wide effects.

## Fire Department

The Caledonia Fire Department (CFD) is a full service department that operates with 41 personnel, 1 Chief, 1 administrative assistant and 39 career cross staffed firefighters/EMT basic or paramedics out of three fire stations. The 39 line positions are divided into 3 shifts of 13 personnel each. 1 Battalion Chief, 3 Lieutenants and 9 Firefighter/Medic/EMT. The fire department provides both fire and EMS services to the Villages of Caledonia, Wind Point and North Bay. In 2018 there were 2392 requests for emergency services through the Racine County Communications Center for the fire department. In 2019 we have been requested to respond to 1716 calls in all of the three Villages as of August 31.

Below are some of the services that the Caledonia Fire Department provides.

### Fire Services

- \*Fire Suppression
- \*Extinguishment
- \*Property Conservation
- \*Fire Origin and Cause Investigation
- \*National Fire Incident Reporting
- \*Pre Planning of Commercial & Institutional Properties

### Emergency Medical Services

- \*Paramedic level emergency response
- \*Invalid assists
- \*Monthly Blood Pressure Clinic
- \*Record Keeping
- \*Emergency Transports to Milwaukee, Racine and Kenosha area Hospitals

### Fire Prevention and Inspection

- \*Public Fire Prevention Education
- \*School Based Public Education
- \*Commercial Fire Inspections
- \*Record Keeping
- \*Fire Extinguisher Training
- \*CPR and First Aid Training

### Hazardous Materials and Other Special Services

- \*Hazardous Materials – Assessment - Confinement Support
- \*Confined Space Response – Assessment - Implement atmosphere changes
- \*Assist All Hazards Response - Carbon Monoxide - Natural Gas Leaks - Odor Investigations
- \*Wires Down - Identify Whose - Safe Guard Public

## **Village of Caledonia**

### **2020 Highway Department Budget**

Through dedicated employees, the Highway Department strives to meet the demands and provide efficient services to the citizens of Caledonia. The duties of the Highway Department are to maintain approximately 157 miles of road and right-of-ways. The scheduling of paving resurfacing and patching is done through our department as well as the maintenance of all gravel shoulders and guard rails, crack sealing asphalt, paint striping and maintaining the road signs. Winter duties include snowplowing and salting to keep the roads in Caledonia clear and well maintained for our residents. The Highway Department also manages and maintains the compost site behind the 6922 Nicholson Road location. This site is open 3 days a week, March through November. The dropped-off yard waste is mulched and provided, free of charge, to our residents.

The Highway Department works with the Engineering Department on ditch and drainage projects, culvert replacements, mowing the ditch right-of-ways and drainage district easements, and trimming the trees in the road right-of-ways.

The Parks Department also relies on the Highway Department for the supervising maintenance and providing help with the heavy work and equipment when needed.

Budget increases in overtime, diesel fuel, truck repairs, and salt all go hand-in-hand. The Highway Department budget is heavily affected by the weather. A rough winter is more expensive than a mild winter; therefore, we try to look at a 5-year average to determine where we stand in our budget. It is hard to stay in line with prices. For 2019-2020 the price for salt went up \$25.23 per/ton. Budget is for 3,750 tons per year. This can work during an average winter, but will come up short during a rough winter.

The Highway Department utilizes our paving program to keep up with road maintenance, but over the years the cost of asphalt increases are exceeding our budget increases, so the department is only able to maintain 4 to 4.5 miles of road per year instead of 5.5 to 6 miles per year that were maintained in past years. At this rate, it is going to take 35 to 40 years between paving maintenance treatments for each road in the Village. This is not sustainable and ask the Board to consider larger increases for the paving program in the future or for an alternate way to fund road maintenance going forward.

## **MAINTENANCE AND UTILITIES**

The Maintenance and Utilities budget includes various operational accounts for the Village Hall, Highway Building and Public Safety Building. Cleaning services, telephone services and utilities are paid through this budget. In addition, the costs associated with the Village Hall motor vehicles are paid through this account.

## OTHER SERVICES

The Other Services budget includes a variety of accounts. The bus contract with the Bell Urban System is through this account. The contract with the Wisconsin Humane Society for the animal shelter services is paid through this budget as in the cost of street lights in the Village. The Contingency Account is also located here. The payment to the City of Racine as part of the revenue sharing component of the Sewer Agreement is also paid out of this account.

# CALEDONIA POLICE DEPARTMENT

The Village of Caledonia Police Department provides 24 hour, 7 days a week law enforcement service to the community. The department consists of 33 officers with the following breakdown; 25 Officers are assigned to the patrol unit, including five patrol sergeants. The patrol unit also contains our K-9 Louie and his handler whom currently works second shift, as this is our busiest shift. Louie is trained in drug detection, searching and patrol duties. The Detective Bureau consists of 2 general assignment detectives and one detective assigned to the Racine County Metro Drug Unit. Administratively, we currently have six personnel, including the Chief of Police, Captain of Police, Three Lieutenants and an Administrative Sergeant.

As agency size compared to our call volume and large geographical area is a constraint, it is imperative that all our officers are trained in many different areas of expertise in order to be self-sufficient. Currently our officers receive specialize training including evidence technician training, active shooter response, disaster preparedness, accident investigation, drug recognition experts, homicide and sexual assault investigations, firearms and arrest tactics, crises intervention. We will continue to push training within the agency as needs and technology are constantly changing.

2020 is expected to be a challenging year, as the community continues to develop due to business and population growth, issues such as road construction, traffic accidents and the needs and expectations of our community will continue to rise. We expect and accept these demands as an agency.

One of the goals for our department is to continue to build relationships within the community. In 2019 we took a great stride towards that as we were able to get a School Safety Officer part-time in our school district. This has been a very positive move for us and we hope to expand on this position in 2020. Another useful tool will be our Body Camera program. These cameras help to build trust within the community. Body cameras give the transparency and insurance to the citizens and the officers that we all want.

Community involvement is and will continue to be never ending. We are involved in events and programs such as: The Wisconsin Special Olympics Torch Run, Shop with a Cop and United Way as well as participating in School Safety events. Take a moment to follow the Police Officers on Social Media and see their daily interaction with the community and its children, it is obvious that our officers care about the community they serve.

## POLICE SUPPORT SERVICES

Police Support Services (PSS) consist of 2 civilian employees and is overseen by an Administrative Sergeant. They are many times the first line of communication between the public and our agency. They are responsible for a wide range of duties including being the first person a complainant or victim coming into the police department meets and speaks to, entry into NIBRS Crime Reporting (National Incident-Based Reporting System), record requests, Crime Information Bureau validations, warrant entries and customer service requests. In 2019 the role of PSS was expanded to take over duties that some of our command staff were doing, freeing up time for command staff personnel to become more involved in police department daily operations. This would include taking over all records request and property room/evidence control management duties.

The service counter is open Monday through Friday from 8am to 5pm excluding holidays.

Dispatch/911 services for the Police and Fire Department are provided by the Racine County Communications Center.

# PUBLIC WORKS

The Public Works Department Budget consists of 2 ½ - Full Time Employees. The positions funded by this Department Budget are 1 – Public Works Director, 1 – Engineering Technician, and ½ - Administrative Assistant (Building/Engineering).

## **SUMMARY OF SERVICE**

The Engineering Department is responsible for reviewing the design and construction of public works improvements. This includes roads in new development areas, assisting with maintenance and rehabilitation of the Village road network, and the maintenance or replacement of existing culverts and bridges. The Engineering Department provides services to complete the Local Road Improvement Grant (biannual) and the State Road Certification (annual) to meet funding requirements of the WisDOT. The pavement rating of the road network includes an inventory and condition surveys to determine the most timely and cost effective procedures to be used to maintain the local street network. Through the Local Bridge Program, the Engineering Department has retained a consultant for replacing the Hoods Creek Road Bridge. Construction funding for the replacement of the Hoods Creek Road Bridge has been approved by the State of Wisconsin and it is expected to be replaced in 2020.

**PERMIT SERVICES:** The Engineering Department processes a variety of permits. Through September of 2019 the following number of permits have been reviewed and issued by the Engineering Department. Asphalt Permits – 105, Building Permits – 102, Culvert Replacements – 29, Fence Permits – 81, Land Disturbance Permits – 45, Right of Way Access Permits – 36, Road Opening Permits – 2, Utility Permits – 62, Engineer Requests and Drainage Complaints – 55, Clean-up Bond Inspections - 17

**SPECIAL PROJECT SERVICES:** Special Project Services are provided on projects of a special nature with staff providing services including preliminary work, project management, consultant over-view, and construction inspection. In-house engineering services are utilized and supplemented with consulting engineers as necessary when a project requires special expertise.

**RECYCLING GRANT:** The Engineering Department collects data on recycling and completes the Recycling Grant application and Recycling Grant Future Projection Report, which result in an annual award of approximately \$61,000.

**DEVELOPMENTS:** The Engineering Department performs reviews of new development within the Village of Caledonia. These reviews are Storm Water Management Plans, Site Grading & Drainage Plans, Road Plans, and Utility Plans etc. Developments that are reviewed or under review are: Auburn Hills Phase III, Homestead Acres, Parkview IV, Casey's General Store, Ross Landcare, and various CSM's.

# VILLAGE BOARD

The Village Board consists of seven (7) elected trustees. The trustees are elected at large and serve two year terms. Approximately half of the trustees are up for election each year. The budget covers the cost of compensation for the trustees, the payment to the Racine County Economic Development Corporation (RCEDC) and various miscellaneous expenses.

# VILLAGE CLERK

The Village Clerk is responsible for administering elections, licensing, permits, keeper of records, responsible for village board minutes, and agendas as well as other committee and commission agendas. Administers the Board of Review, tax levy certification, posting and publications, and various day-to-day government operations.

There are two full time employees that work in the Village Clerks office. Both positions also fill in for other departments when needed and cover the front desk and switch board. The clerk's office is often the "go to" office by citizens as well as elected officials and other staff members and contracted personnel.

## Elections

The Clerk's office is responsible for administering and overseeing the integrity of Elections. The budget consists of poll workers' wages, training, supplies, equipment, voting machine maintenance, ballot printing and maintaining election records. In 2020 the Village will have four (4) scheduled Elections:

- February 18<sup>th</sup> – Spring Primary (if necessary)
- April 7<sup>th</sup> – Spring Election
- August 11<sup>th</sup> – Partisan Primary
- November 3<sup>rd</sup> – General Election

This budget includes an overdue (9 years) and well deserved wage increase (\$8.50/hr. to \$10.00) for our essential and valued poll workers. It is an ongoing challenge to maintain and train people to conduct elections. Election laws are constantly changing and more and more responsibly falls on poll workers. I am pleased to say that we are blessed with people who care and do a wonderful job for the citizens of Caledonia.

This CIP also includes a proposal for Electronic Poll Books (Badger Book). The Badger Book replaces the paper poll books with a monitor and printer. It will promote great efficiency in the time it takes to check in voters, voter registration, update information, and eliminates the need for paper voter numbers by automatically assigning and printing off numbers. It also will assist in preventing issues that may be caused by human error. The Badger Book compiles all the Election Day information via a transmitter into the election software thus reducing the monies paid for reconciliation services provided by Racine County.

# JOINT PARKS

The Caledonia/Mount Pleasant Memorial Park (Joint Park) is a 55 acre park located in the Village of Caledonia. It is jointly operated and funded 50/50 with the Village of Mount Pleasant. The park is overseen by a seven member Park Commission that is appointed by each Village president. A new Joint Park contract was approved and signed in the fall of 2013 by each Village board. One full-time park manager splits his time between management duties for Joint Parks and Parks Enterprise. This is accomplished with the help of one part-time individual. Volunteers, grants and advertising within the park help offset operating costs.

This facility currently has one community building/hall and four picnic shelters available to rent. The 20,000 square ft. community built Kids Connection playground also resides in this park. In addition to family picnics/gatherings, the Joint Park works with RASA (Racine Area Soccer Association), The Urban League of Racine and Kenosha, Labor Fest Inc., RADD, ACE Soccer Club and the Village of Mount Pleasant Park and Recreation to hold events and activities in the park each year. The park is also home to Racine County's first community craft beer garden and leases space to Hop Heads Hospitality for that amenity. This park has a long standing history of tradition within the community and is widely considered a destination park for those who live outside of villages.

The Joint Park Commissions 2020 goals include increasing advertising to better promote park usage, adding additional events to the calendar to increase revenue and to continue to host events such as the Franksville Food Truck Festival.

# MUNICIPAL COURT

The Caledonia Municipal Court is led by Honorable Judge Robert W Keller and he oversees the Court Clerk and Deputy Court Clerk. The Municipal Court processes and has jurisdiction over local ordinance and traffic citations issued by the Village of Caledonia Police Department. Court is held on Tuesdays at 3:30pm within the Village Hall. Except for juvenile hearings, all court proceedings are open to the public.

## Village of Caledonia

The Central Racine County Health Department (CRCHD) is responsible for providing public health services to many communities in Racine County through an Inter-Municipal Agreement. The Village of Caledonia serves as the fiscal agent for CRCHD through the aforementioned agreement. The communities served include Caledonia, Dover, Mount Pleasant, North Bay, Norway, Raymond, Rochester, Sturtevant, Union Grove, Yorkville, Town and Village of Waterford, Town and City of Burlington.

Our mission is to improve the health of the communities we serve through health promotion, disease prevention, and protection from health and environmental hazards. We monitor health concerns of entire communities and aim to prevent health problems before they occur.

At CRCHD, our perspective is that “success is sometimes measured by what does not happen.” To this end, we work with the communities we serve on a broad array of environmental health, community health and preparedness programs to prevent disease and promote well-being. Public health focuses on the whole-population and essential services include:

- Monitoring population health data
- Investigating health issues and hazards
- Providing health information
- Mobilizing community partnerships
- Enforcing laws and regulations
- Linking people to needed services
- Developing policies and programs
- Evaluating service effectiveness
- Researching public health issues
- Assuring a competent workforce
- Assuring access to primary health care
- Promoting conditions that support health

## CALEDONIA UTILITY DISTRICT

### 2020 PROPOSED STORM WATER BUDGET

The Caledonia Utility District Storm Water budget has revenues from Storm Water User Fees (ERU), Special Assessments from past projects, Fund Balance Applied from previous years, and Engineering Revenue from billable projects and developments. The Caledonia Utility District Storm Water budget does not receive tax levy from the Village.

The proposed budget covers 2 full time employees  
1 – Utility Director and 1 – Engineering/Zoning Technician

The Current Public Works portion of the budget covers items that are essential to the operation of the Storm Water District. Minor adjustments have been made to 5 of the line items to meet needs of the District and to more accurately reflect upcoming costs.

The Capital Outlay for 2019 consists of 13 items/projects. 6210-Culvert Replacement, to replace road culverts that have failed and under roads that are scheduled to be repaved. 6220-Storm Water Permit, to cover the Village's MS4 Permit fee from the State of Wisconsin. 6230-Education NR216, to cover the Public Outreach Contract with Root Pike WIN to fulfill a requirement of the MS4 Permit. 6240-Facilities Inspection NR216, to cover the Illicit Discharge Detection & Elimination Program a requirement of the MS4 Permit. 6270-Drainage District Records Update, to continue updating of the storm sewer facilities map in the GIS System. 6280-Hoods Creek Brushing, for the continued brushing of the Hoods Creek near the Aldebaran Subdivision. 6290-Tanglewood Avenue Storm Replacement, to replace the existing farm tile system and install storm sewer. 6295-Tanglewood Avenue Storm Design, to cover the design & inspection of the project. 6465-Alcyn Drive Storm Extension, to extend storm sewer to improve drainage. 6475-Wind Point West Design, to cover the design, inspection and easements for the Wind Point West project. 6476-Wind Point West Construction, to replace and extend storm sewer and improve drainage in the Wind Point West Subdivision prior to the Village Paving Project. 6477-Hwy 32 Stream Restoration Design, to cover the design, inspection and easements for the Stream Restoration project. 6478-Hwy 32 Stream Restoration Construction, to improve drainage of a channel and provide sufficient hydraulic conveyance capacity.

The Village of Caledonia Storm Water Utility District will be in its sixth year of principle payments and seventh year of interest payments on the Kremer Area Road & Utility Reconstruction debt service. Those principle and interest payments continue until 2023.

The Village of Caledonia Storm Water Utility District has proposed a balanced budget for 2020.
