

CALEDONIA FIRE DEPARTMENT

Smoke Alarm Program

Our goal at the Caledonia Fire Department is to have working smoke alarms in every residence in our community. We at the CFD understand that not everyone has the ability or resources to install new alarms. We will come out to your home and install up to 3 smoke alarms **FREE** of charge to any residence within the Village of Caledonia. This may not apply to you but if you know someone who need new alarms let them know.

The units we install are First Alert smoke and fire alarms. They have a 10 year battery and are Photoelectric sensors for less nuisance alarms.

Please help us achieve our goal.

You can contact us at 262 835-2050
Monday through Friday 8-5.
